About CREW:

CREW Network is the industry’s premier business organization dedicated to the advancement of women in commercial real estate. Nearly 9,000 CREW Network members represent nearly every discipline within the industry and are located in over 70 major markets across North America. Professionals in the industry regularly call on our members to assist with all facets of their commercial real estate deals because of REW Network’s established reputation for excellence. Our members average 14 years of commercial real estate experience and nearly 76 percent are presidents, CEOs, partners or senior partners of their companies. The CREW Network organization supports the careers of its members through its industry research initiative, delivery of targeted educational and professional development sessions, business networking forums and more. Additionally, our organization is working to increase diversity within the industry by bringing awareness to all girls and women of the exciting and lucrative commercial real estate careers available to them.
